Lunch offer	\$ 51.40	Recipient to accept
11/04/2019	Senior Review Officer Justice Assurance and Review Office Regulation	Consultant Independent Reviewer	Yes	Stakeholder engagement	The only business benefit of accepting the offer was so as not to offend the reviewer and effect any future communication with him. The independent reviewer worked intensively with the three DJCS staff. He stated that the celebratory lunch was an expression of his gratitude (on a number of occasions). It was probable that declining the offer would have been viewed as offensive. Given that subsequent communication has been required, this was not a favourable outcome. We do not believe that there are any risks (such as potential or perceived conflicts of interest and reputational risks) associated with the acceptance of the offer, especially as the lunch was a day prior to the completion of the review.	Lunch at Lupino (Little Collins Street, Melbourne) to celebrate the completion of a review	\$ 75.00	Recipient to accept
